ALEXANDER CHORNY

WEB DEVELOPER

PROFILE

I'm a passionate developer with relevant experience in web development. I focus on creating reliable, adaptive, cross-browser web products, emphasizing best practices and accessibility.

In life, I enjoy self-learning, constantly working on improving my technical and communication skills. I strive to learn something new or accomplish something useful every day.

Additionally, I enjoy sports and pursuing diverse personal development opportunities.

EXPERIENCE

Freelance Web Developer Apr 2024 - Jul 2024 (Antalya, TR · Remote)
Participated in a project involving the creation and management of databases. Refined the functionality of a code editor based on CodeMirror, implementing combined language support (SQL and JavaScript) with syntax highlighting and autocompletion. Contributed to various other project features.
Skills Used and Improved: React · CodeMirror · TypeScript · JavaScript · Lezer · Recoil · Git · Codespaces · Ant Design.

Freelance Web Developer Jan 2023 - Dec 2023 (Antalya, TR · Remote)
 1. ONE-OF-PRO (Tech Job Platform) – teamwork;
 2. MYHOBBY-ECOMMERSE (store) - I work independently.
Skills Used and Improved: React · Next.js · Docker · TypeScript · GraphQL · MongoDB · Jest · Git · GitHub/Codespaces · GitHub/task-board.

Managing Director Jul 2015 - Feb 2022 (Vinnytsia, UA)
MYHOBBY
Managed all aspects of operations for an outdoor activities store, streamlining processes in website maintenance, customer consultation, sales, and strategic procurement.

Improvement Of A Website Apr 2015 - Jun 2015 (Berlin, DE - Remote)
APPAREL EXPRESS
Improvement of website design and functionality.
Refinement of the order sorting module.

Website Development Dec 2014 - Feb 2015 (Kyiv, UA - Remote)
KRAINEVA ANASTASIA
